

Equipment Rentals

Hours:

Mon-Fri: 8:30 am – 5:30 pm

Sat: 8 am – 2 pm

Rental Rates

Reservations are on a first come, first serve basis. Reservations can be made up to 30 days in advanced. It is highly recommended that you make reservations for pop-up campers, dunk tanks, BBQ grills, inflatable's and utility trailers as early as possible because of the high demand for these items. To hold a reservation there is a minimum 1 day rental charge on all items. Any equipment that is checked out is charged the same day. Failure to pick up a reservation or a cancellation less than 72 hours in advance will not be refunded. ODR Equipment Check-Out Center is not responsible if equipment is not used due to weather conditions or circumstances that may prevent a customer from being able to use the equipment. Payment for the rental is taken at the time of the reservation. Cancellations can be made no later than 3 working days or 72 hours before the pickup date. Late charges will be added when equipment is returned after the due date in the amount of the daily rental fee for each day past due. Pick up time will be scheduled between 8:30 am and 5:30 pm (unless it is rented out the previous date, which it will then be noon) at the time of making the reservation. Equipment return time is before noon.

Condition of Equipment

Thoroughly inspect each item before leaving the Equipment Check-Out Center. If the condition of the equipment does not meet your satisfaction, simply ask any member of the ODR Equipment Check-Out Center to replace it with a like item or have the receipt annotated to indicate any damage noted. It will be assumed that all items rented are undamaged and in serviceable condition unless noted on the rental receipt. Damage or loss of any item will be charged against the user for the cost to repair or replace the item. All equipment must be returned in its pre-rental condition, i.e. tents will be completely dry and clean both inside and out, grills and pig roasters must be cleaned thoroughly and all grease, ashes and food particles removed, water jugs and ice coolers must be dry and clean inside and out. The travel trailers (casita and fun runner) require the renter to empty and flush the holding tank prior to return to the Equipment Check-Out Center. The renter is also responsible for ensuring that the inside of the Travel Trailers has been vacuumed and cleaned prior to check-in.
