

PCSing Overseas??

DoDEA has launched an Online Student Pre-Registration System for School Year 2011-2012, with the aim of reducing the time parents will have to wait at the school registration site. The new program will also allow school officials to better predict school enrollment for the upcoming year, make more informed decisions regarding teacher and staff requirements, and prepare in advance for special services, supplies, and other classroom needs.

Parents can pre-register their children by visiting the website:
